FOOTBALL

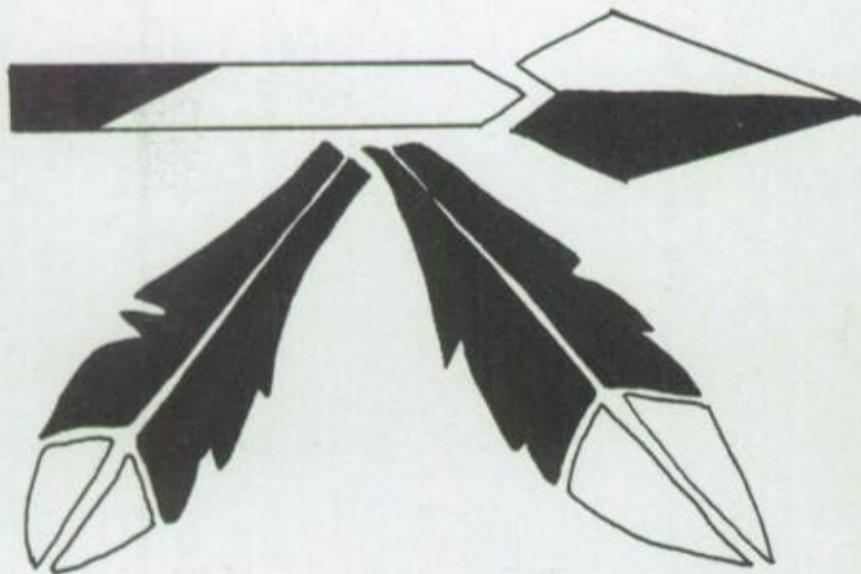

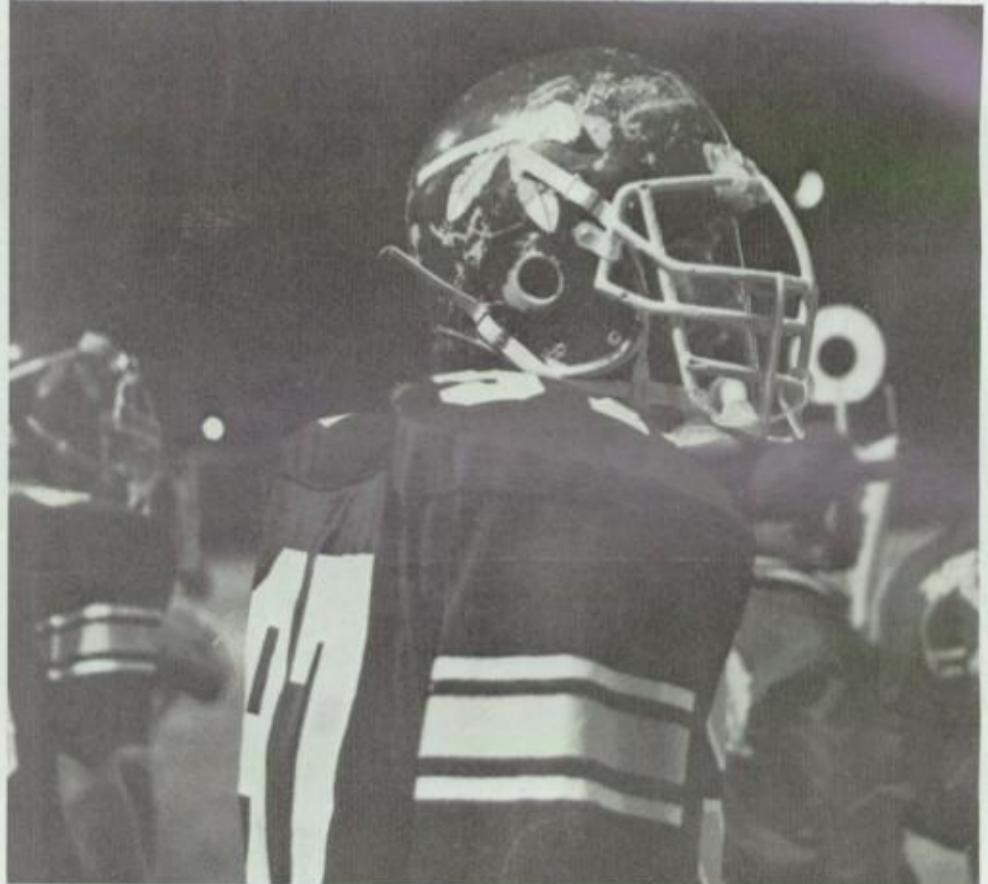

*Quarterback Joe Johnson, on a roll!! Alan Plummer, thinking it over.*

*The 1-8 season of 85-86 was not a success if you count wins as success. But if determination counts, then our football team was a winner. They stayed with it and kept on trying and practicing throughout the whole season and never quit.*

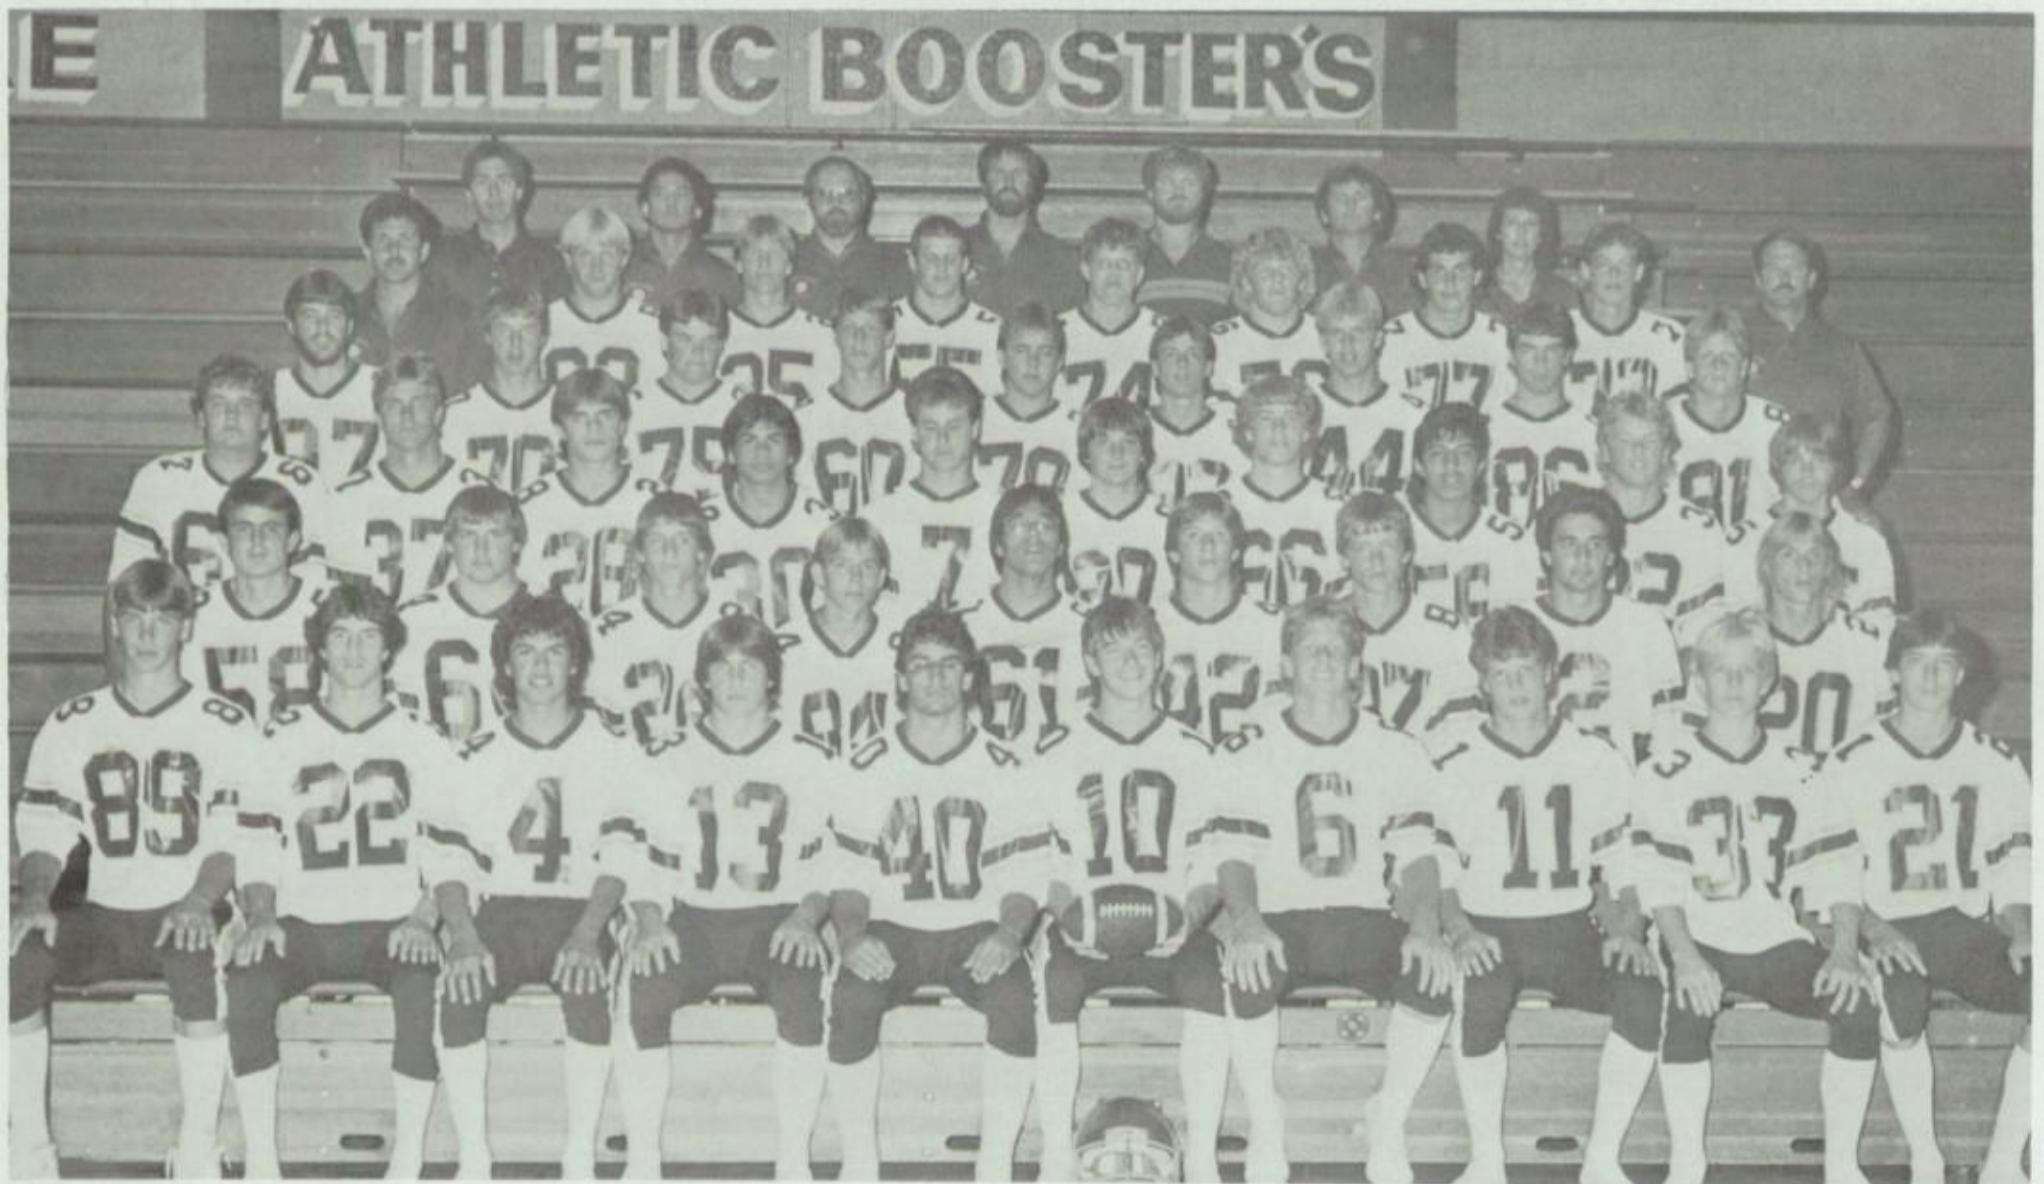

*We earned the game we won at Davis and the fans who went got their reward for supporting the team so well throughout the season. Both the North Central and Pasco games were in reach but we just did not have enough time to do it. The talent was there and four players chosen to play in the All-league game. Unfortunately, a winning season did not come together but when a team like North Central says that we played too physical for them, you know we tried.*

G J R L S H J G H !

Way to get into it CHIEF fans!

Diana, way to bump up front.

This year's netters had a strong and more competitive volleyball program than they have had in the past. First-year head coach, Carol Fulton, praised the squad for having a positive attitude when not winning. "It's tough to go week after week without winning a match, but if you try your best it's just like winning," Fulton said. She feels they were a very coachable team.

Some of the players that were praised for their special accomplishments, were Julie Kyle and Penny Burgess who won "Most Improved". This year's "Most Valuable Player" was Sheryl McHargue. Cindy Gronning and Jennifer Holloway earned "Most Inspirational". Amy Jones maintained a 3.95 GPA through the season, earning her the "Special Scholastic Award."

Row left to right: Coach Melby, Rachel Agust, Jennifer Holloway, Cindy Gronning, Cheryl Scott, Cheryl McHargue, Amy Jones, Sheri Tyler, Chris Duncan, Michelle Bohne, Penny Burgess, Anna Westphalen, Coach Fulton 2nd row: Coach Rardin, Heather Fisk, Julie Kyle, Shawna Lawson, Gina Cacciatore, Cheryl Scott, Julia Silverdale, Lori Holmer, Connie Kemper, Janet Stevenson, Stacey Queen 3rd row: Vicki Melin, Joleen Thornton, Julia Novak, Shannon Crozier, Lisa Rardin, and Julie Rakhim.

*Sheri Tyler, she'll show them how to set the play up!*

*Sheri, way to go!*

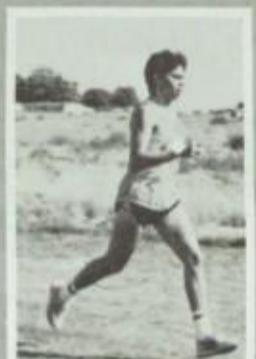

*"OOPS!" Sheri, the ball's going the wrong way!*

CROSS  
COUNTRY  
DOING  
GREAT!

The text "CROSS COUNTRY" is written in a large, bold, serif font, with each word on a separate line and a thick black diagonal line running through the center of each word. Below this, the words "DOING GREAT!" are written in a smaller, bold, sans-serif font, also with a thick black diagonal line running through the center of each word.

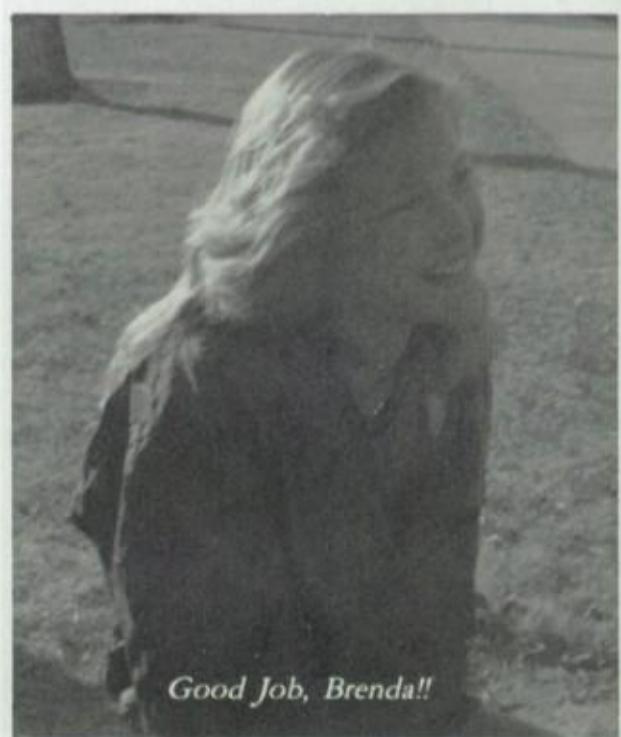

Eight runners from our team, along with Coach Carpenter, had a great time in competition in Canton, China. Jennifer Bannon, Jeff Charlton, Brenda Donehower, Rick Gamez, Stephanie Gilliland, Julie Monek, and Rick Skinner were chosen members of the International Sports Exchange. 250 runners from the Pacific and Mid-West states also went. The trip consisted of a six day stay in Hong Kong and a three day stay in Canton, China. Moses Lake runners placed high in the race and the trip was an excellent form of communication between Chinese and American athletes.

Ricky Gamez-made it to state!

1st row: Damon Wade, Korey Wilkes, Spencer Bolles, Hank Owens, Rick Skinner, James McLawhorn, Mike Burritt. 2nd row: Carl Zamora, Robb Owens, Danny Guzman, Rick Gamez, Oscar Lopez, Jeff Charlton, 3rd row: Mr. Marton (Asst. Coach), Roxanne Martin, Stephanie Gilliland, Laura Lee, Jennifer Bannon, Liz Erickson, Julie Monek, Kathy Frank, Brenda Donehower, 4th row: Melissa Brown, Matina Ibarra, Amy Skinner, Jenni Warnick, Shannon Dennis, Stacey Swanson, Mr. Carpenter (Coach).

Good Job, Brenda!!

*This year's Cross Country team did an outstanding job of representing Moses Lake. Coached by Mr. Carpenter, and by Mr. Martin, the team really worked hard and established themselves as leaders of the Big Nine. They were able to achieve this accomplishment because they had the desire to excell and the talent to win!*

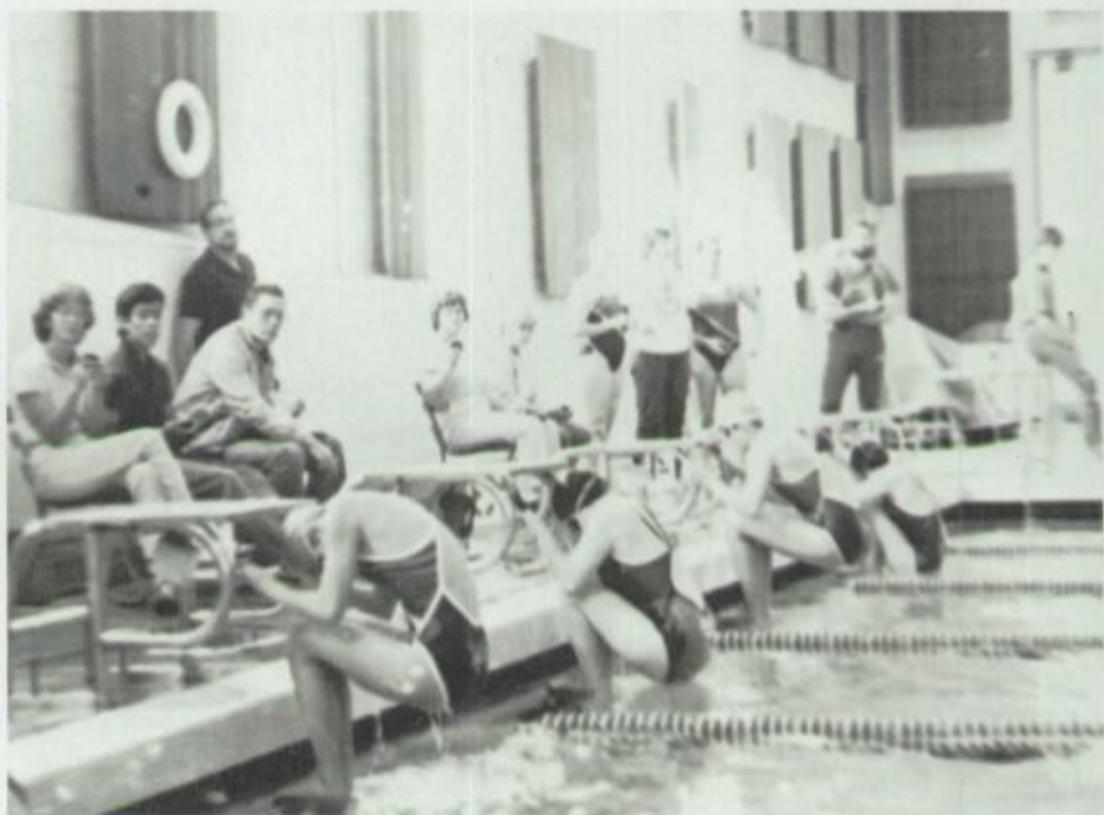

*Coach Carpenter, who has coached Cross Country for the past twenty years felt this year's team was unique for many reasons. Their ability to establish pride in themselves and imagine themselves as winners was special. The strength of the team came from having the #1 girl and boy in the League and having the depth to back them up. They also achieved what they had worked so hard to do, to beat Kennewick, almost Richland, and grow as a team.*

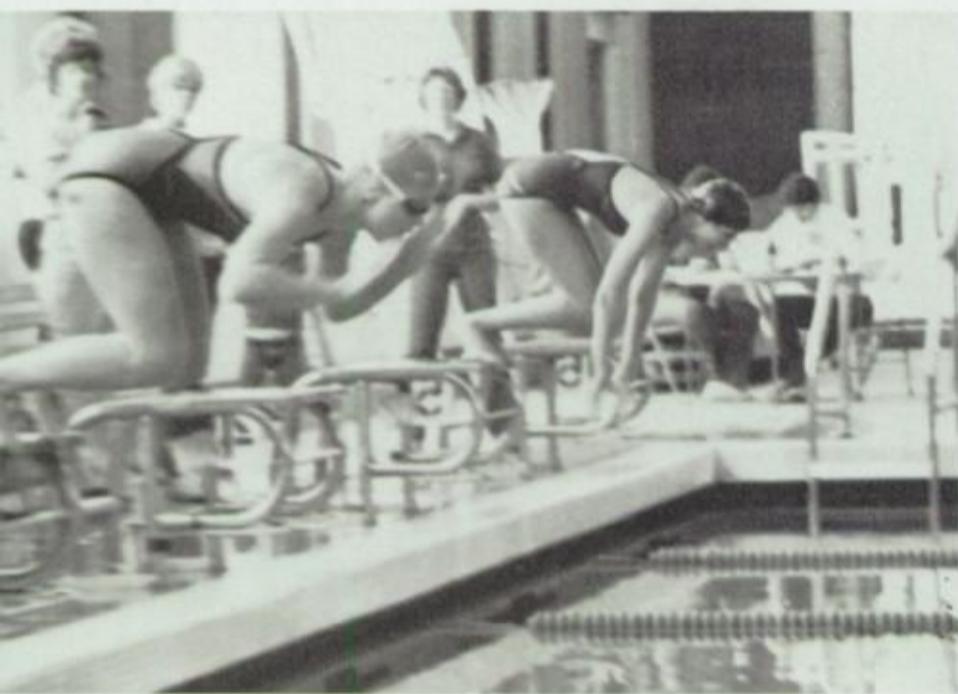

# *GIRLS' SWIM TEAM . . .*

*Sheila Dowling, Melanie Illg, Kalli Kurty, July Sandberg, Kate Austin, Kathy Wrynn, Debbie Sooter, Heidi Staudenraus, Stephanie Nelson, Jennifer Piper, Samantha Nelson, Tracie Leavitt, Jaci Jacobs, Cassey Neal, Kassen Rogers, Suzanne Nelson, Wendi Davis, Maria Wood, Amy Egland, Liz Johnson, Angie Denton, and Daronna Wade.*

*The Moses Lake girl's swim team accomplished two team goals this year: to remain undefeated and win Regionals. Coach St. Onge finds this team unique because they could swim well under pressure. Highlights of the season include Kassen Rogers, July Sanberg, and Cassey Neal. These three qualified for state, which is more people than the Chiefs have ever taken to state. Kathy Wrynn is pointed out by the coach as being the most talented, enthusiastic, and motivating leader. The Moses Lake Girl's Swim Team finished the season with a 11-0 record!!*

# CANDIDATES

One of the most colorful and enthusiastic events of the year was the 1985 Homecoming Game. Although the Chiefs lost to Pasco, the game was full of spirit and the ceremony itself was a great success. It began with the Annual Homecoming assembly in which the candidates are brought before the student body. Following this each student voted for his or her favorite. That evening the Pasco mascot was burned in the Homecoming bonfire. Then began the serpentine lead by the band and drill team. Followed by the candidates riding in cars and the student body in the serpentine. The event climaxes during the half-time ceremony as Liz Erickson was crowned Homecoming Queen 1985.

FOR EVER IN YOUR ARMS

# HOOMEOMING DANCE

Homecoming '85 was a night to remember. The worst night of the year, was the date of our Homecoming Dance with wind gusts of up to 52 mph. and power outages across town. Those who made reservations at the Porterhouse, Kebos, Hallmark, and Fog Cutter discovered that dinner could not be made without electricity. All those newly washed and waxed cars did not stay clean long.

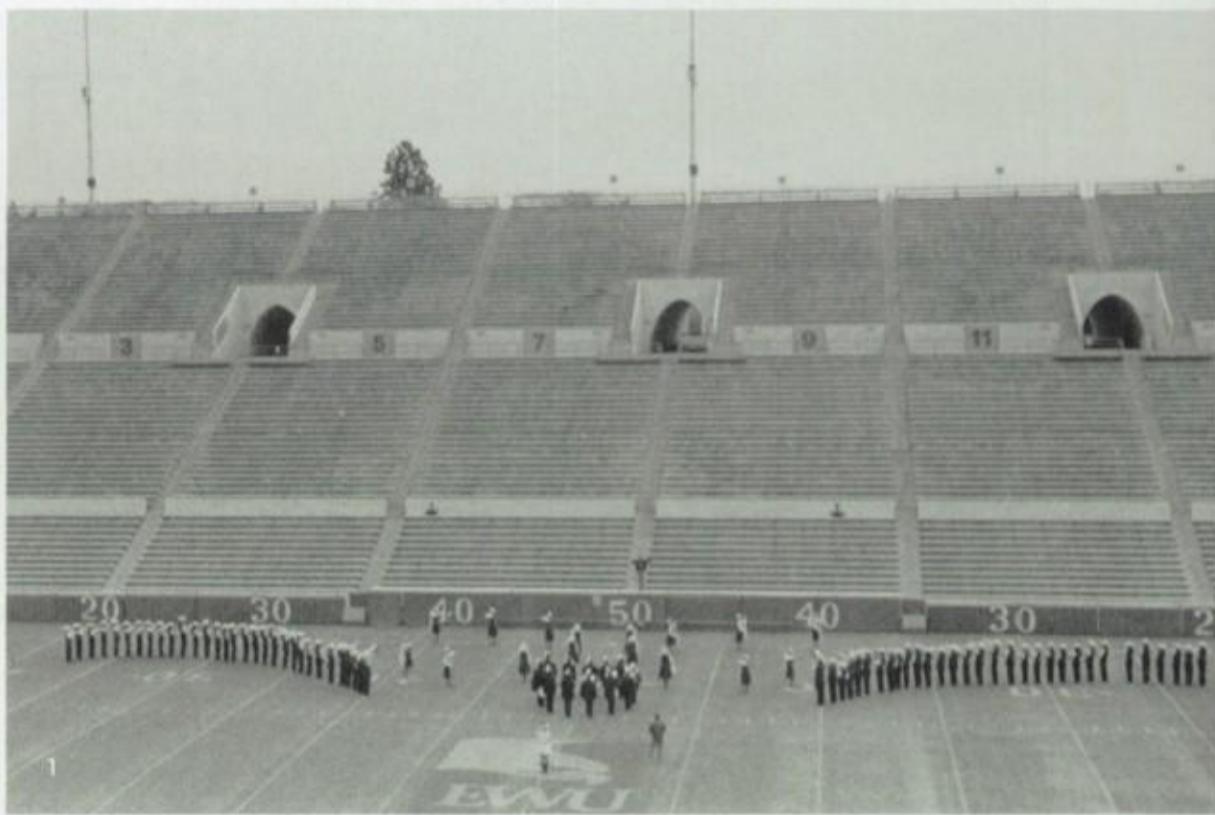

When you finally got to the dance past all the downed stop signs, you found the doors of the car did not open or close easily. Then trying to walk with your long gown becoming a sail, was a new way to move. Hair brushes were an unknown commodity, everybody wanted and needed one to try and repair the damage from the wind.

Instead of a band this year we had something new, a Video Dance that was really good. And again, Ski Club did a fantastic job with refreshments. Everybody had a great time and the dance was a super success.

# MARCHING BAND

## March

The Moses Lake High School Marching Band & Color Guard had an exceptionally good season this year with several triumphs. At the Calvacade of Bands in Pasco, they took 1st in A class & 5th place overall. In addition, Sandra Longoria won the Best Drum Major Award. Again, at the Northwest Marching Band Championships, they placed 1st in their class & 5th overall. Finally, at the Pacific Coast Invitational Marching Band Championships in Salem, Oregon, they took 2nd in A class & 6th overall. To top that off, they carried off the Best Drum Major Award & the Best Brass Section.

CHEERLEADERS

"working hard at practice!"

HAVE A SPARKLE!

"time-out"

*Not only do our cheerleaders have a lot of spirit, they used their spirit to do an excellent job of supporting Moses Lake High School in competition. The effort they put into cheerleading throughout the summer, fall, and winter shows how dedicated our cheerleaders are. Pep assemblies were a highlight this year. With a little help from Chris Tuohy "Old Time Rock & Roll" was a success. Advisor Karen Floyd thanks Lisa Anderson and Robin Fazende, two seniors, for adding spirit to this year's cheerleading squad.*

*"What a nice pose, Chuck!"*

# MASQUE & GAVEL

*Masque & Gavel had a very challenging and busy year in 1985-86. They put on three plays: *Bats in the Belfry*, *Harvey*, and *The Miracle Worker* under two directors Miss MacDonald and Mr. Lucas. The plays went over very well and they had many new actors participating along with seasoned actors.*

*The audience has increased throughout the year and in the performances of "The Miracle Worker" they had standing room only. They also had a new idea this year to try and increase the audience by going around and distributing coupons. The idea worked and many tickets were purchased with them.*

*Michele Turner-Pres., Jeff Miles-Vice, Amy Piercy-Sec.-Treas., Paul Blakes-Hist. Michelle Ross-Art Dir., Les Whitley-Tech. # THE BATS IN THE Belfry

Miss MacDonald and her cast put on an enjoyable comedy "The Bats in the Belfry". The play was about a young lady who comes back home with her fiance after being away at boarding school. She soon learns her dear, sweet, old aunties are really witches and so is she. That the imaginary Mr. Ogilby by her aunties always talked to was a warlock who had turned her into a person from a cat and then he turned invisible. Now, Mr. Ogilby wants to become visible so she must be turned back into a cat. Topping it all off she finds out her fiance has supernatural powers and can see Mr. Ogilby, the warlock.

It was a delightful comedy with superb performances by: Angela Olveda, Kerri Ryan, Michele Turner, and Kristi Uhlenkott as the witches, Paul Blakes as the sometimes invisible warlock Mr. Ogilby, Jeff Miles and Rhonda Sharp as the young couple in love, Jack Allen as the Irish cop, Brice Wood as Reverend Barnaby, and Katy Warring as Miss Fairfax. Eric Van Woerb and Tamara Reidt played the groom's parents and Steve Countryman and Juliann Judkins as the friends to folk music.

WINTER

# THANKS FOR THE MEMORIES

The Moses Lake Chiefs  
up to their old tricks  
plan to have a great year  
in nineteen eighty six.

They've practiced their moves  
and they've worked hard & long  
and they started the year  
looking awesomely strong.

Vela, Guzman and Zamora  
were all there  
with Tatum and Tatum  
and a fella named Fair,

add Kernan and Yarbro  
and a De La Rosa  
with Kasperak and  
another named Garnica,

there's Lucke and Griffith  
both strong as could be  
add another Zamora  
and then St. Marie.

We're so proud of our boys  
they all did their part  
to see that the team  
did get a great start.

They were coached by  
Seibel, Skeesick & Lane  
and Wagner & Rogers to  
lead them to fame.

They demolished the Blue Devils  
as the Chiefs often do  
then the Bombers fell  
and the Pirates too.

Then all the other teams  
in the Big 9 came  
and the results for them  
were exactly the same.

Then the Chiefs went to Districts  
in the Yakima Valley  
where they'd soon be holding  
their victory rally.

All 13 of our boys  
started out looking fine  
it was Moses Lake, really,  
against the Big Nine.

When the totals were tallied  
they were standing so tall  
cause the '86 Chiefs  
had just won it all.

Then on to Regionals  
eleven man strong  
where time would reveal  
they could do no wrong.

By Friday night with  
the first round over  
the '86 Chiefs were  
there standing in clover.

They were meeting the best  
in the East of the State  
and the others would fall  
to their inevitable fate.

What an outstanding team  
the boys all looked great  
and 10 of the group  
had qualified for state.

Great tremors of fear  
then went through every team  
for the '86 Chiefs  
were a wrestling machine.

The Chiefs entered the gym  
for the matches at state  
and the crowd began cheering  
this great team of fate.

You could sense the respect  
and admiration that day  
as the '86 Chiefs  
entered into the fray.

They started things off  
with an exciting fall  
The crowd was cheering  
and having a ball.

Now some say that wrestling's  
an individual event  
just involving the grappler  
all twisted and bent,

but all of us here  
know better than that  
they're so many involved  
besides those on the mat.

Just think of the coaches  
they're the driving force  
as they shout encouragement  
until they get hoarse.

And watch all the mothers  
up there in the stands  
all gritting their teeth  
and wringing their hands.

Each curling her hair  
on the end of her finger  
as if there was some kind  
of relief that would bring her,

and the fathers all cheering  
from throughout the gym  
each hoping and praying  
that his son would win,

and the sisters & brothers  
and friends one & all  
just yelling & screaming  
when the win's by a fall.

It's not the individual  
sport it would seem  
it involves the efforts  
of the entire team,

and that's how it was  
there this year at state  
with all of us cheering  
this great team of fate,

and whatever should happen  
on that last final day  
seven of our boys  
were still on their way

For by Saturday Night when  
it was all said & done  
the '86 Chiefs  
had wrestled and won,

And as Regional champs  
their sights they did fix  
on doing well at state  
in nineteen eighty six.

By the time of the finals  
on that exciting night  
we were high in the standings  
what a tremendous fight.

All the greatest talent  
in the entire state  
fought it out on the mats  
and the Chiefs looked great.

The matches were close  
with throws and spills  
and provided the fans  
with a thousand thrills.

We're so proud of our team  
right up there near the top  
they brought home the trophy  
for second spot.

When they won they did  
it with so much glee  
when they lost they  
did it with dignity.

Tho probably the smallest  
AAA school in the state  
they wrestled with honor  
and they looked just great.

Over seventy schools  
in this great state  
would love to trade places  
and share in our fate.

We're so proud of our boys  
let there be no mistake  
for the honors they  
earned for Moses Lake

Chiefs, thanks for the memories  
we will all hold so dear  
and the joy and pleasure  
you've brought us all year.

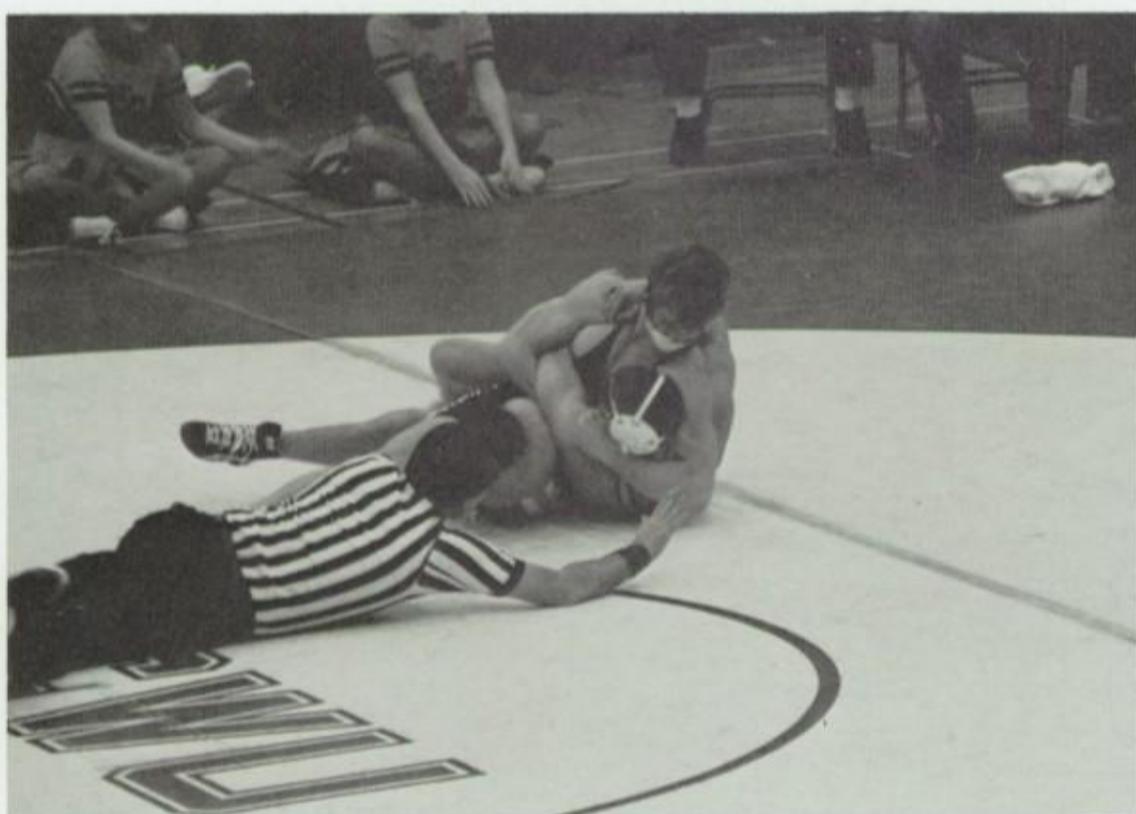

And where ever you go  
& whatever you do  
we want you to know  
we'll always Love You.

Jack St. Marie

# COACH THACKER COMMENTS:

Verdell Stidom making the shot and Rick Raymond waiting for the rebound.

The Boys' Basketball team had a record of 4-15 for the season and at first glance one may say that the team had a poor year. Although most people measure success by wins & losses, which is of course the prime indicator, but there are many other ways to measure a teams successes.

The members of this year's squad turned in some fine performances against some very talented individuals & teams. It is difficult to single out one or two players as the best because they seemed to change from game to game depending on what one uses to judge someone as the best.

Coach Thacker felt that this year's team helped set the pattern for Chief teams in the future. He saw this team grow & develop through a lot of hard work. It is this dedication & attitude towards hard work which will make future Chief teams thankful for to their 1985-86 counterparts.

Coach Thacker would also like to say thank you to all those that made this season a success including the parents, players, and fans.

*The Moses Lake Boys' Swim Team had 3 wins and 5 loses this year and won 3rd at Regionals. Pete Rogers was the first ever to place at state in the 200 and 500 freestyle. Pete Rogers also won most inspirational. Chris Fitterer was most improved and Sloan Jorgensen won the coach's award. Coach St. Onge points out that this is the biggest team ever and is a landmark in the history of the program. The 1985-86 Molahiette year was a successful one. Even though they started the year with a new advisor, things went smoothly and vast improvements were made in the system. The team was composed of 26 girls all of whom did a fantastic job! Routines were choreographed by the officers and a lot of hard work was put into them. One special highlight of the season was the annual guy/girl routine during the Basketball season. The routine was a success; the guys were great; and the audience loved it! The team competed at state this year and received an Excellent rating. Three members were chosen for All-state team positions: Chaneux Karr-High Kick team, Julie Johnson-Precision team, & Wendi Burton-Novelty team.

# JEVON THOMPSON

3 ▲  
In his lecture "IT'S OK TO SAY NO!" Jevon Thompson shares his personal experiences with drugs and some of the many experiences students have told him, and he relates his knowledge of drugs and the rock music scene. He also conveys the most recent scientific evidence, much of it only recently publicized, about the harmful effects of marijuana-and he talks about the hazards of all drug use, including alcohol.

Jevon Thompson's dramatic and humorous, yet to-the-point style, as well as his stories about the rock music scene create an instant audience rapport. Feedback from every school in which he has lectured indicates he may be the most effective speaker currently lecturing in convincing students to stay off drugs. "I listened to him because he's been through it," is the overwhelming student response to Jevon Thompson.

*The national emblem of DECA is attractive, significant, and meaningful. This emblem is diamond shaped with the words "Distributive Education Clubs of America" surrounding the wrapped package, symbolic of a job well done and the close cooperation of school, parent, student, and business in preparing for a well-rounded education basic for success in a career in marketing and distribution.*

*The four points of the DECA emblem symbolize: (1) Vocational understanding, (2) Civic consciousness, (3) Social intelligence and (4) Leadership development.*

*The Distributive Education Clubs of America — otherwise known as DECA — is an organization whose program of leadership and development is designed specifically for students enrolled in Marketing and Distributive Education. DECA is the only national youth organization operating in the nation's schools to attract young people to careers in marketing and distribution. DECA is a non-profit, non-political, non-sectarian youth organization composed of voluntary members, with MDE teacher-coordinators acting as advisors. MDE students elect their own chapter officers and delegates, who have direct vote in their state association of DECA and in their national program.*

# GIRLS' SOFTBALL

This was a great season for the Chiefs softball team. They started out the season with many short term goals and one long term goal. That goal was to go the State tournament. They started out losing their first double hitter, then on to a winning streak, winning 12 in a row, they ended the season playing Richland, their last double hitter for the League Championship. They lost to them putting them in 2nd place in the tournament. There too they played Richland for the District #1 seat, they were defeated putting them in 2nd place, going to the State tournament. They had achieved their long term goal. For the first time in Coach Humphrey's coaching career or MLHS softball history, they were sending a team to state.

# TRACK

This year's track team was an exciting one. With the loss of many seniors from the year before, the team ended up being a young one. The team shows great potential for the future of track. One of the goals that the team accomplished were the boys and girls winning first place at Apple Blossom Relays.

This year was a year for breaking records. In the 800 meter, Rick Gamez ran a 1:56.5, and Vicki Melin threw a 111'2" for the javelin record. Shelli McKinney, Melinda Womack, Margie Spidell, Jennifer Bannon, and Miller together, they broke two records as a relay team, one for the 4x400 meter relay with a 4:07 record. Jennifer Bannon did the long jump with a 18'3½" record plus she also ran a :56.38 to break the record for the 400 meter.

The 1986 Throwers: John Wagner-Coach, Russ Langshaw, Paul Landon, Rick Payne, Steve Howard, Monet Biltom, Javier Cavaso, Rick Raymond, Shannon Weaver, Leonard Harold, Cari Merkley, Vicki Melin, Andrea Belisle, Matt Berrett, Angie Kline, Karissa Anderson, Roxanne Martin, and Karen Olsen.

# BASEBALL 1986

This year's baseball team was unique in that the senior players were the first players Coach Doumit has coached throughout their high school years. They also won more games this year than they have in the past three years he has coached them. Play-offs were almost made, missed by one game, but they gained valuable experience as a team. That will be extremely beneficial next year.

John Mirelez made the All-State team this year and is the second player in three years that has made the state team. Mike Leininger was also nominated for the All-State team.

The standings for the year were 7-13 over all and 5-11 in the league. Tieing them for 7th in the Big "9".

This year's golf team turned out to be one of the best years ever! Even though in the past years M.L. has been able to compete just as well as the rest of the Big "9". M.L.H.S. golfers had its outstanding players like Erin Johnsrud, Frank Flodia, and Brent Murray, but the best that came out of the golfers was being as a team. As a team they were able to win most of the games the boy's golf team came out to a 15-9 record with a 4th place in the Big "9". For being the first year for Moses Lake to have a girl's team, their record was a 28-2 with a 1st place in the Big "9" and a 2nd place in State. Erin Johnsrud placed 3rd in the individual competition at state. For the captain's trophy Brent Murray, and Erin Johnsrud took the honors. Mike Kersey and Mike Sandmann were given Most Inspirational. And Most Dedicated was given to Craig Gronning.

*This is a new day.*

*I have this day to use as I will.*

*I can waste it or use it for good.*

*What I do today is important*

*because I am exchanging a day of my*

*life for it.*

*When tomorrow comes,  
this day will be gone forever,  
leaving something in its place that  
I have traded for it.*

*I want it to be gain, not loss, —  
good, not evil —  
success, not failure.  
I shall not forget the  
price I paid for it.*
